Re: Support for Owens Valley Reclassification as a Low priority

To: California Department of Water Resources

On behalf of the Wheeler Crest Community Service District (WCCSD), we would like to express our strong support of the reclassification of the Owens Valley as a low priority. We believe the new evaluation is more accurate and reflects the out-of-basin transfers by the Los Angeles Department of Water and Power.

Your consideration in this matter is greatly appreciated.

A handwritten signature in blue ink, appearing to read "Glenn Inouye".

Glenn Inouye – Chairman

On behalf of the Wheeler Crest Community Service Districts' Board of Directors
